

#100 Mounting Ring

Overview

- The #100 mounting ring is a mounting flange, which will allow the housed versions of the VS, LS, and XRS series, as well as the CS35 (or any series equipped with a 1.625in x 40TPI external thread), to be mounted to a flat surface .
- The mounting ring would be attached to a flat surface and the shutter would then attach to the ring via the housing rear thread (1.625in x 40TPI).
